

DAS STADTWERK.DONAUArena

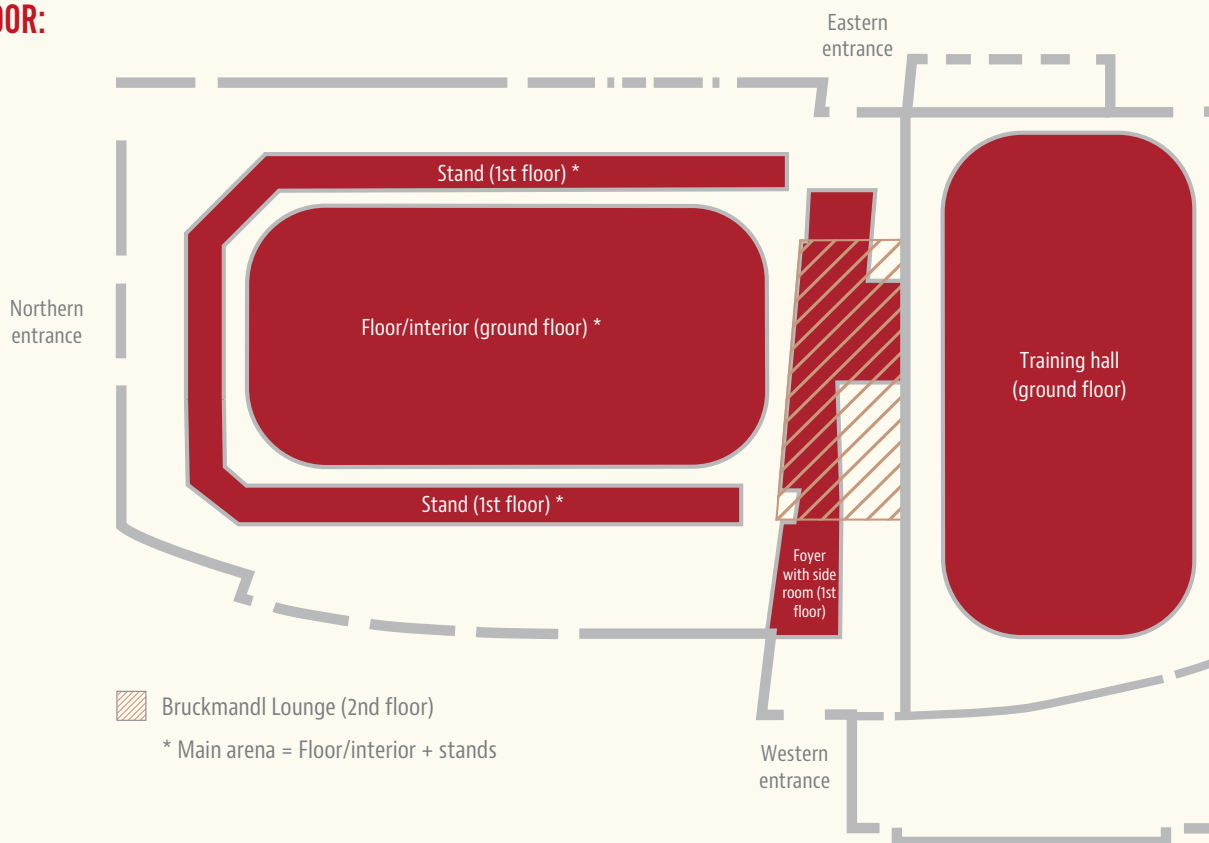

das Stadtwerk.Donau-Arena is located in the World Heritage city of Regensburg and is the largest event location in Eastern Bavaria. It offers new standards of flexibility, transformability, and all-round service. Whether it's a musical or a rock concert, ice hockey or an energy trade fair, *das Stadtwerk.Donau-Arena* is excellently equipped and can be transformed into an event location entirely according to the needs of the customer. There are various spaces available for concerts and sporting events, celebrations, corporate events, trade fairs, conferences, meetings, workshops, and extraordinary ceremonies, for anywhere from 20 people up to 7,400. And it's located in the home of ice hockey club Regensburger Eisbären. More than 80 events per year are held in the arena. Basically, all rooms can be flexibly booked, individually or in combination, and can be set up according to your wishes. You can also take advantage of our professional catering provider, or book a guided tour or other components for your event.

You can find more detailed information in our brochure:
