

HOTEL AM SEE

Conveniently located on the outskirts of medieval Regensburg, the property is within easy access of the UNESCO World Heritage Site and Walhalla. When staying with us, you'll enjoy a tranquil location in a lush setting—just what you need for a pleasant business trip. The hotel offers magical views of the Neutraublinger See lake, and, after a successful day of meetings, relax on the lakeside terrace (complete with beer garden) or in our spacious chalet.
