

JAHNSTADION REGENSBURG

The Jahnstadion Regensburg, which opened in July 2015, is more than just a soccer stadium. It's the perfect place for virtually all kinds of events. The stadium boasts a unique atmosphere, highly versatile rooms, totally barrier-free facilities, and excellent transport access. The **Business Club** offers many different options for conferences, meetings, presentations, trade fairs, corporate events and more for between 5 and 1,000 people. An experienced team handles all matters professionally, offering complete solutions from event organisation to catering.
