## SCHIFFFAHRT KLINGER

The Klinger fleet is a great way to host meetings in an exceptional setting. The MS Fürstin Gloria cruiseboat has a large, light-filled main deck, where you can hold meetings and workshops, as well as corporate functions. Meanwhile, the wooden Siebnerin boat, a unique replica of an historic salt barge, adds some variety to the conference agenda. The open-air deck's proximity to the waterline makes for a special atmosphere.
